

IACCM 100 YEAR CLUB
CELEBRATING 100 YEARS OF ITALIAN AMERICAN HERITAGE

As part of the upcoming 100 Year Anniversary Celebration in 2019, we are planning to have a "100 Years of Italian American Heritage" video produced. We expect this video to be first quality and tell our history in a very creative way. We will also be able to create additional photos, e-magazine and other features to the disc for use and hand out at the 100 Anniversary event.

We are looking to raise about \$15,000 for the creation, filming and production of the movie. Therefore, we have two options for you:

1. \$100 donation and you or your loved one will be listed as a supporter in the credits for the movie. Forever this will be a reminder of your generosity.
2. \$500 you can have a 15 second video commemorating a loved one, or a business message or a family message at the end of the video to be forever recorded on the disc.

Please consider supporting this opportunity to capture memories and history for our family 100 years from now. Any donation of \$100 or more allows you to join the 100 Year Club and receive a commemorative 100 year anniversary lapel pin to proudly wear!
